Dear Colleagues,

Plans for the 2007 Annual Meeting of the WSA at The BRO^ADMOOR Resort in Colorado Springs are well underway. Enclosed with this newsletter are registration forms, general meeting information and a hotel and destination brochure.

Please help our membership remain vibrant and healthy, and encourage and support new members. While the deadline for new member applications is June 1, quality applications clearly take precedence over deadlines!

Membership applications are available on line. The applicant is responsible for filling out that application form, but we still need a letter of sponsorship and 2 letters of endorsement from members of the WSA. They can be mailed, faxed, or e-mailed to my office. The Membership Committee will be meeting this summer by conference call to review completed applications. **Please do everything possible to complete or submit new member applications as soon as possible.** New members are the lifeblood of the WSA.

In an effort to boost our publication rate in the Archives of Surgery, we have instituted a number of changes to the manuscript submission and review process. **Please note the deadline for submission of abstracts is June 1.** The new deadline for submission of a manuscript will be September 21, well in advance of the meeting.

Please review the enclosed registration forms and brochures. I am certain you will agree that it describes an exciting Annual Meeting. The resort site has always been one of the favorites of the organization.

President Dayton, Local Arrangements Chairman Amilu Rothhammer and the entire Colorado Springs membership look forward to welcoming you and your family to The BRO^ADMOOR Resort! Please call my office or e-mail us directly or via the website if you have any questions or needs.

Sincerely,

Gregory J. Jurkovich, MD
Secretary, WSA
